

FORD DEALERS RACE MEETING

SUNDAY 25th JULY, 1982

S.M.R.C. Organised by
THE SCOTTISH MOTOR RACING CLUB LTD.

OFFICIAL PROGRAMME: 40p
For Conditions of Admission see inside

If you're not driving it, this is all you'll see of it.

The new Escort RS 1700 T can now be ordered from Dalblair.

In its road going form the RS 1700 T will develop up to 200 bhp. In full competition form it'll develop approximately 350 bhp.

The power plant is 1.7 litre, 16 valve BDT engine. Fuel injected and turbo-charged.

Transmission is through a five speed gearbox with rear wheel drive transaxle.

So with a specification like that they should be going pretty fast.

But if you fancy something marginally less hairy we're also taking orders for the new fuel injection RS 1600i.

They'll both show the competition a clean pair of wheels.

**One piece of
office equipment you can
dispense with.**

For year's the waste-paper bin has been your average office copier's faithful sidekick. Now you can kick it aside. For good. Because Barratt Copying has arrived—with Canon copiers. The name on the most outstanding range of photocopying equipment your money can buy. Whatever your workload. Whatever your budget. You'll find a Canon to suit. Each one equipped for reliability with the latest microtechnology. And, you'll be agreeably surprised how little it can cost to run a really good copier.

Office efficiency starts here.

Sit your office staff behind delapidated desks. Put them on rickety, uncomfortable chairs. Give them the benefit of rusty filing cabinets with sticking drawers. Then watch your company lose money! Obviously no self-respecting business man would deliberately create a situation like that. But it's surprising how many offices are run that way. The whole, sorry situation develops over the years—without anybody noticing. Outdated office equipment means poor office performance. Poor office performance wastes time, wastes money—and could lose you the best of your staff.

THE FORD DEALERS RACE MEETING

INGLISTON 25th JULY, 1982

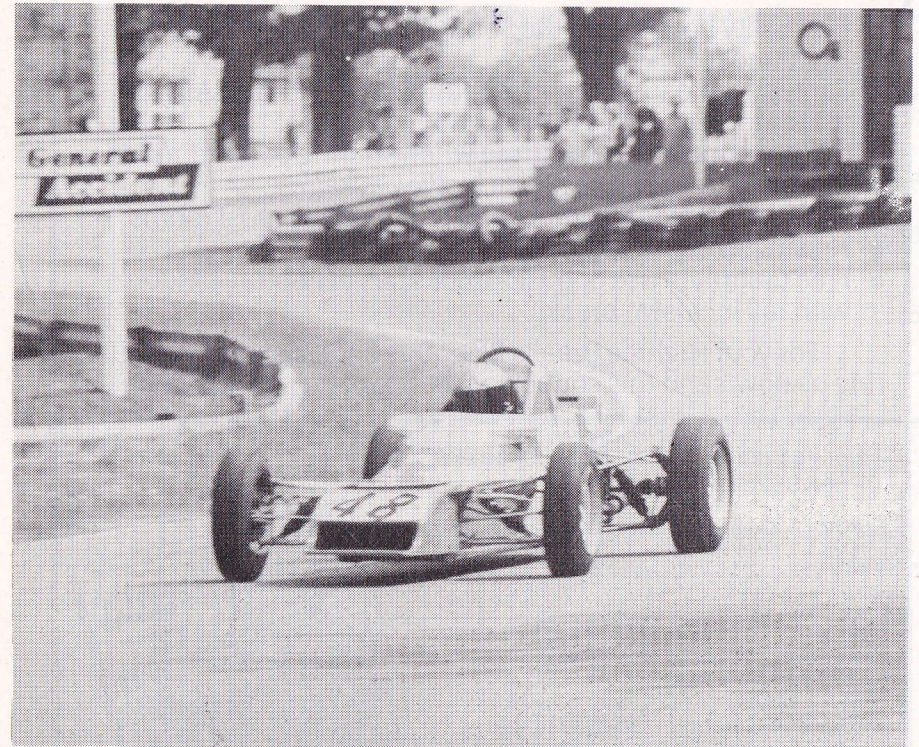

After our usual break from racing due to the Royal Highland and Agricultural Society Show the circuit will again roar with the sound of a very full NINE race programme today.

Scotland's leading Ford Dealers have got together to sponsor the meeting featuring for the first time in Scotland a round in the international 15 round **Daily Mirror Ford Fiesta Championship** which has rounds in 5 countries. All the leading competitors after 5 rounds, Rob Hall 42 pts., Charles Tippet 40pts., Dave Loudoun 31pts., Lionel Abbot 28pts., and Jim Edwards 26pts. are entered in the Dalblair of Ayr and Alexanders of Edinburgh sponsored Ford Fiesta races.

All the usual other races will be held throughout the afternoon with well filled grids. The Beef Tub Steakhouse sponsored libre race features Caledon Coal Co. Series leader David Duffield and second man Andy Barton from Newcastle whilst a new face is provided by John Travis in a March 792 and making a return visit after about 11 years is Ray Mallock in a Mallock Mk24 from Northamptonshire. Barratt Office Equipment and Skelly's of Glasgow are sponsoring the two Formula Ford races which feature all the Marlboro Championship leaders and should provide some fast close racing.

The three races for GT cars are well filled with Jeff Wilson bringing along his very interesting BMW M1 to try and catch Jim McLaughay in his Turbo charged Renault 5 and Ian Forrest in the Drambuie Davrian.

The Sports Car race is sponsored by the Buccleugh Arms Hotel, Moffat and in addition to our usual drivers Richard Mallock will be bringing out a Mallock Mk24 class A clubman car.

The Chairman of Scotcircuits — Graham Hamilton in a borrowed Tom Brown Racing School Formula Ford, trying the circuit in the opposite direction — it's been so long since he raced he's forgotten the way!
